Kent Brown, Mr. Football.

CORY-RAWSON GETS ZAPPED!

ARLINGTON vs LEIPSIC 6-0 The opening battle for the 1970 football season started in Red Devil country when the Vikings came in. With both teams starting a new year, the Devils stuck to the old of victories and won, 6-0. The TD was made in the first quarter, the second play of the game. Jim Inniger broke lose for 55 yds. on a quick open. The defense was put to the test when the Vikings threatened on the two yard line.

ARLINGTON vs ARCADIA 13-12 Moving onward & upward, the Devils invaded Redskin territory. An 11-yd. pass from Mark Wagner to Kent Brown & an extra point kick by Dewayne Woodard gave us 7 points. At the half, it looked bad, with Arcadia 12, Arlington 7. Coming back, the Devils scored when Jim Inniger passed a "thriller" to Brown. With this, we slipped into the lead, 13-12.

ARLINGTON vs McCOMB 0-6 McComb was a big disappointment for all as the Devils met their first downfall. Even though the Panthers scored only 6 points, it was just 6 points too many. The Devils began practice with determination in their eyes for next week's game and next year's revenge.

ARLINGTON vs VAN BUREN 68-0 The Red Devils came hurtling back with a 68-0 victory over Van Buren, when the Black Knights tried to invade us. Jim Inniger scored four touchdowns on runs of one, 18, 9, & 60 yds. Frysinger ran up two TD's & Staley, Wagner, Reigle, & Russell put their contributions on the score board. Dewayne Woodard did 4 extra points. That was a night for the JV's to remember as well as the Varsity.

ARLINGTON vs PANDORA GILBOA 14-22 With a run by Jim Inniger, a 48 yd. pass from Wagner to Staley & help from Woody, the score was 14-0 in the fourth quarter. Unfortunately, with a pass interception on us, they ran ahead with 21 seconds left in the game. The Devils LAST defeat.

ARLINGTON vs VANLUE 22-0 Vanlue, being our homecoming & the boys determined to go farther than last week, was tossed for a loss, 22-0. Staley scored in the second quarter, followed up by a safety when Kerry Hindall tackled Phillips. Inniger fired up & ran 22 yds. for the second TD. In the 3d quarter, Wagner ran in for another, while Woody pitched in his two extras.

ARLINGTON vs CORY-RAWSON 7-0 THE HORNETS MEET DEFEAT! The winning touchdown came with 3:21 left in the game when Staley caught a 60 yd. pass from Wagner. The play wasn't even in the Devil play book. Woody helped out, putting in the extra point. Our defense did a GREAT job by holding the Hornets to 71 yds. & Tom Solt carried the load of holding Falk.

ARLINGTON vs LIBERTY-BENTON 39-0 Still fired up from last week, the Devils stopped L-B Eagles 39-0. Jim Inniger led the scoring with 12 points. He also passed to Brown for a TD. Staley, Wagner, and Frysinger also brought 6 pts. each to the lights. Woodard added 3 extra.

ARLINGTON vs HARDIN-NORTHERN 21-0 Staley ran the kickoff back for an 85 yd. TD. We scored again on a 10 yd. run by Staley & a one-yard plunge by Wagner, making it 21-0. This was our 4th straight shut out & sixth in the nine games. The defense was a key ingrediant as they held the Bears to minus 15 yds. rushing!

ARLINGTON vs RIVERDALE 22-14 The old rivalry is renewed. Jim Inniger put us on the board first with a one-yard plunge. Woody kicked for 7-0. Frysinger went in from the two & Dave Rossman passed to Kent Brown for 2 pts. extra. The score held 15-14 till Frysinger went over from the one. 22-14.

Looking Back

The highlights of this years season were when the Red Devils ZAPPED the Cory-Rawson Homets 7-0. Another was the last game of the season, when a non-league game was played with Riverdale. It was a tough battle, but the Devils showed to be better, 22-14.

We had only two defeats this year, McComb 6-0, and Pandora Gilboa 22-14. In spite of these losses, we went on and still came out as Tri-Champs. In Devil Country, there is but one team of Champs as far as we're all concerned: DEVILS!

ON TOP FOR 2ND YEAR!

TOP ROW L TO R: Coach Wagner, Jim Businger, Dan Yates, Dave Decker, Dave Smith, Kent Brown, and Mark Metzger. 2nd ROW L TO R: Jim Inniger, Dave Rossman, Rick Oates, Larry Hindall, and Eric Pearson.

The Varsity won 16 games throughout the whole season and placed number 1 in the BVC Title. This is the 2nd year it was controled by the Devils. This year it wasn't expected, but you can expect the unexpected with Devils. A championship team can only be made by hard work on the part of young men with desire and determination and a good coach. Congratulations to all of those men!

SENIOR ATHLETES

During The Year . . .

Arlington held their basketball banquet Monday April 29, 1971. Recognition of all players on both reserve and varsity were announced. The following received trophies for outstanding playing for the Arlington Red Devils. Rick Oates--Top Rebounder, Larry Hindall--Most Improved, Eric Pearson--Most Assists, Jim Inniger--Best Defensive Player, and David Rossman--Best Offensive Player.

Now that the year is over in basketball, there were some awards given to some of the boys and an adult. The two boys receiving awards were Rick Oates and Eric Pearson. The adult was, of course, Mr. Jerry Wagner. Rick made first team all county B. V. C. league and was invited to attend the Review Times Banquet. Eric Pearson was selected to the second team all B. V. C. and second team all Republican-Courier. He was also invited to the Review Times Banquet. Coach Wagner was Coach-of-the-Year in the B. V. C. and all Republican-Courier. He also received a trophy-bowl at the Review Times Banquet for the best "A" record.

Track this year went as far as the Regional in several events. These were as follows: The Shot Put with Dick Taylor, Pole Vaulting with Kent Brown flying, 220 yard dash with Larry Hindall running and the Mile Relay team composed of Larry Hindall, Jeff Staley, Dave Smith, and Ken Chamberlain.

The high school stage band is to be known as "The Pocket Edition," a name finally acquired this year. Also, outfits were purchased or made for each of the members, giving the band a totally new and "in" look. "The Pocket Edition" performed for our home basketball games and a few other school functions.

Fifteen members of the football marching band ended their year after participating in ten pre-game shows and half-time shows of the 1970-71 football season. A highlight in this year's shows was our Foreign Exchange student, Bob Pongtana, on the "big bass drum," who helped to add that final touch to the big band sound.

By tradition, the Arlington "All Brass" Band participated in various Homecoming Parades during the summer months. The school year began for band members with the Junior Fair Night activities at the Hancock County Fair.

Hard work and sweat went into the making of the football band. (Even marching in rain and mud!) The band never failed those anxious spectators.

With cold weather and snow, came the concert band. Modern music led to a "Pops Concert" in late February with all of the band members looking forward to the annual Spring Concert.

VOCATIONAL AGRICULTURE

Go ahead. I dare you.

Cleaning house? The odd couple.

I give up. What is this thing?

The machine is faster than the BRIAN.

Hey, Dean. When do we get to stop and eat this stuff?

INDUSTRIAL ARTS

Watch the fingers.

The industrial arts department encompasses much territory--drafting, machines, woodworking, etc.

I can't see a thing!

The showcase near the industrial arts room never lacks the accomplishments of those boys involved with some phase of industrial arts.

This is making me sick.

What do you think I'm doing?

Here goes nothing!

Just wait until he spills some.

HOME ECONOMICS

Here, Miss Gavron, the home economics teacher, samples the work of her class. Linda and Rose Ann seem to have enjoyed their meal.

aun, Connie, and Pam find that their cooking isn't too bad. The skills learned in home ec. are useful to any girl, regardless of her major course of study.

The advanced foods class goes beyond the basic study of food preparation as studied in general home ec. courses to concentrate on more complicated recipes. It is a course of specialization.

COLLEGE PREP — COMMERCIAL

That once in a lifetime fete-- studying.

They call this physics class?

Doug's speech demonstration.

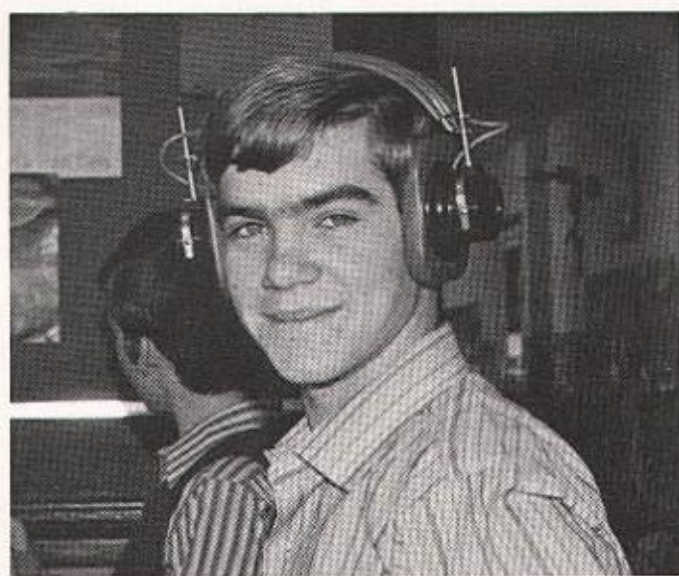

Scientific-minded Becky with her mode of transportation.

Mike's from Mars.

Who ate your apple, Dave?

Dan always has a smile for the earth people.

Since when do they teach knitting?

Got any news?

This French sounds like Greek to me.

Secret formulas.

ART — FUN AND WORK

Too many fingers in the dough.

The art department offers creative development for many students.

The art room also serves as a resting spot for related activities.

Full-time artist.

The devil made her do it.

The making of a flying nun.

An industrious group of girls--letting the teacher do it.

It can't be that difficult, Patty.

The Student Council helped to bring about better administration-student relationships and several changes in the school this past year. A dress code was decided upon and with the approval of the school board was put into effect. The annual Christmas dance and a full-length feature movie "Wait Until Dark" were sponsored by the Student Council. Members also took part in skits for Pep meetings during football and basketball.

During the school year of 1970-71 the members of the G. A. A. have kept very busy with various activities as follows.

Our first BIG CONCERN was the Football Homecoming, which included the Pre-game ceremony and the Homecoming dance the following evening. We sold Red Devil Cushions in order to help with expenses for the Homecoming.

Other accomplishments were: Bake Sales, Style Shows, we sponsored Basketball Homecoming, the "Spring Dance", and traveled to the Y. M. C. A. for an overnight party.

Several girls participated in the "athletic" events offered: Volleyball and Varsity and Reserve Basketball teams who participated inter-scholastically with area schools.

“AGE OF AQUARIUS,” THEME FOR PROM

One of the highlights of every school year is the Junior-Senior Banquet and Prom. This night is looked forward to by the members of the Junior and Senior Classes as well as members of the Sophomore class who participate as servers at the banquet.

The 1971 Banquet and Prom took place Friday evening, May 28. The gym was decorated in the fashion to carry out the theme "The Age of Aquarius." Zodiac signs were placed at varying angles on the crepe-paper walls which enclosed the dining and dancing areas. At each place at tables set for four was centered with a small zodiac charm.

The menu consisted of a Toast to the Dawn, followed by Roast of Taurus, Moon in the 7th House, Planets in the Milky Way, Potato au Mars, Crescent Rolls and Star Dust, and ending with Golden Dream, Aquarian Brew, and Gemini Sweets.

The announcement of the tragic death of Beth Musgrave shocked everyone in attendance. The prom, being planned with so much of Beth's help, went on as originally scheduled as a tribute to her.

The music for dancing was provided by "The Boxcar" featuring both fast and slow songs.

Post-prom activities took place at Lehmann's Lodge in Fostoria, Ohio, where swimming, bowling, miniature golf, and pool highlighted the early morning hours. Also cards, snacking, and napping were enjoyed by many.

The Banquet, Prom, and Post-Prom officially ended back in the school district with the class breakfasts. The Senior class and chaperones were served in the home of Peggy Treece, and the Juniors and Sophomore servers in the home of David Pifer.

Many thanks are to be extended to the Junior Class and their sponsor who made the prom a reality for all those involved.

MISS ANN RILEY
Findlay High School
Senior Findlay College
Intern Program

Arlington Elementary School has had the privilege this year in having two Findlay College seniors in the College's intern program: spending the entire year teaching under the direction of a cooperating teacher.

This is a plan where selected students complete their senior year of college in the classroom.

Not only does the intern benefit from this program in acquiring practical experience, but the school benefits, also, by the interns' eagerness and zeal to recruit good teachers.

The fifth grade interns this year have been Miss Ann Riley of Findlay, Ohio, and Mr. Drew Rogers of Mechanicsburg, Penn. They will receive their Bachelor of Science in Education degrees in June.
